### The Dimmer View

By MAX GOODWIN

The little man with the twinkling blue eyes and the quiet air has moved away. He left Lemon Grove to take up a pastorate at Wasco, Calif., near Bakersfield. The Reverend Bruno Pueschel, to the followers of the philosophy of the meek, represented well the Lord and His teachings to a group of Lemon Grove churchgoers, and to them he was the kind of spiritual leader they preferred.

Bruno was meek only where the Master and His teachings were concerned. Beneath his casock beat a sturdy heart. It beat good and it beat true. He suffered adversities while he lived in Lemon Grove and most of these he overcame.

While he served at the Lemon Grove Congregational Church he drew about himself a strong circle of friends and followers and his decision to leave saddened this group.

Every person, we believe, carries a picture in his mind of that person who can best aid him in answering his needs in his relation with his Lord. To many, Bruno fitted this picture perfectly.

It's bad enough I got into hot water with the stationery people with my smart cracks about those clickety-click ball point pens but now the local optometrists have taken up the call.

I had complained that my signature was rejected at the U.S. National Bank when I switched to a ball point pen.

Dr. Vernon Officer, who holes up at his office at 3410 Olive Street writes me ominously "if

### HOURLY LONG PRE-RODEO PARADE SET

L. G. Rodeo Parade Marshal Bob Howell said that more than 125 entries had registered for the Rodeo-Jaycee parade to be held July 13 and there would be 10 divisions.

The hour long parade will start at 1 p.m. at Broadway and Massachusetts and march down Broadway to the rodeo grounds at St. John of the Cross Church. More than 20,000 spectators are expected to view the mile long group which will have a heavy emphasis on horses in keeping with the rodeo theme.

Traffic will be blocked off along the parade route from 12:30 to 2 p.m. California Highway Patrol Sgt. Casey Hord said. Officer John Annis will be in charge of the traffic detail. Traffic will be routed from Federal Blvd. east over McArthur. Westbound traffic will be shunted off at the rodeo grounds and routed over North Street.

Jaycee Rodeo chairman Tom Smith Junior said more than 12,000 spectators are expected at the Saturday and Sunday. Advance tickets for the Rodeo are now on sale at the office of the Lemon Grove Review, at the L. G. Chamber of Commerce office and at the Highlander's Store. Tickets may be applied on any box seats or are good for general admission. A savings of 25¢ per ticket is effected by advance purchase.

Ticket price schedule is: boxes (reserved) \$2.50 per seat. General admission \$1.35, children 5-12 50¢.

### MISS LEMON GROVE IS OCEANSIDE FINALIST

Sharon Mueller, "Miss Lemon Grove" was among the six finalists Sunday in district competition at Oceanside.

There were 44 girls in the competition and six were chosen for the finals. Sharon was one of the six. She finished fourth.

### Help Wanted!

Dr. Robert Burns, Swimming Pool Association Auto Raffle Chairman, this week made a plea for assistance in moving more tickets for the 1957 Ford being given away at the Rodeo next week.

It is estimated that only half enough tickets to pay for the car have been sold so far. The proceeds, if any, from the project will go to build the long-heralded community swimming pool. For those who want information on how to help they may call Dr. Burns, Postmaster Frenchy Faucher, or the editor of this newspaper.

### ARMSTRONG GETS NOD AS CHIEF TRUSTEE

Lemon Grove School District trustees named Frank Armstrong chairman of the board at their annual organization meeting Monday. Robert Brown was named vice chairman and Bert Cosby became clerk.

The regular board meeting will be held Monday.

### Day Early!

This newspaper is delivered to you a day early so that our associates might have a longer mid-week holiday. It also gives the reader an extra day of holiday reading about the doings of his community.

### LETTERS TO THE EDITOR

Dear Editor:

We do not get our quota of water via rain here in this wonderful part of God's country, therefore we must do the next best thing. Buy water. Put in large pipelines to deliver that water to our properties. All this costs money. So we MUST vote a bond issue July 9th, Tuesday of next week, to get the water we so vitally need. This bond will not be large or a burdensome tax on anyone, but will be shared by all over a period of time. Just think how it would be if we were to wake up some morning without water! No fruit, flowers or lawns. And our land and homes would be without value.

It is the duty of every true American to vote. So do your duty on July 9th and get your friends out also to vote for the most vital thing in our future. Water! Water! Water! VOTE YES.

Marilee Lonace McBride became Mrs. Glenn George Clark Saturday in a ceremony at the La Mesa Methodist Church.

The bride is the daughter of Mr. and Mrs. Cremar H. Bailey, 3569 Fairway Drive and her husband is the son of Mr. and Mrs. Doran Clark of La Mesa.

A reception for 250 guests in the church chapel followed. The couple will be at home July 14th at 9300 Lavelle Dr., La Mesa.

### Youth Board, Market Officials Meet On Off-Sale Liquor Issue

Board members of the Lemon Grove Youth Control Board met last week with representatives of Food Basket Market to discuss the possible action by the Board if the market applies for an off-sale liquor license for their huge new market at Imperial and Golden Avenues.

The market abuts the Youth Center property at School Lane and members of the Control Board said they feared sale of liquor in the market might create an undesirable condition for users of the youth facility.

State liquor law, according to C. C. Miller, district supervising agent for this district rules that off-sale liquor licenses are not ordinarily given when the premises to be licensed are within 200 feet of schools, churches or facilities where children meet and play.

Lee Nemecheck and Mart Compton, both Food Basket officials told Frank Armstrong, chairman of the Control Board that the firm was "strong" for youth activity in every community they served and would not knowingly interfere with or injure any youth project. They made a plea for being permitted to sell alcoholic beverages without protest so that their new market would be as complete as their competitors in the community.

Nemecheck said that the policy of Food Basket did not condone the publishing of liquor advertising. He also said his firm did not energetically merchandise alcoholic beverages within the markets. He said the demand existed and in the interest of completeness of market it was the firm's desire to sell the product.

Nemecheck said he would notify the Board when application is made for a license.

Attending the meeting were representatives of the Woman's

### Work Slowed On Water Tank By Court Action

A restraining order has been issued against the contractors who are building the \$235,000, four million gallon water tank for the Helix Irrigation District on top of the hill north of Lemon Grove.

Suit was filed by Roy Nielson, 3850 Costa Bella, a real estate developer whose home and office are adjacent to the tank being built.

Nielson contended through his attorney Kenneth Barwick, that sand blasting being done on the tank is not only ruining his property, but it is ruining the health of his family and ruining his business, too.

His complaint reported an air compressor and sand charge tank had been in operation night and day since June 10 creating noise and dust. The dust created a health hazard to his family and harmed vegetation on his property, he said.

Harry Griffen, Helix Irrigation Director said that the project was being hurried to meet the summer water demands for Grove residents and the around-the-clock work was necessary to meet community needs.

Further delay in schedule was caused, Griffen said, when sand-

A new library, and a three and one half acre public park became certainties last week when Supervisor David Bird wheeled, through a tortuous budget, route, his recommendation for these new facilities for Lemon Grove.

He was successful, too, in acquiring a street sweeper which will ply the 147 miles of his district.

All of these items were written into the 1957-58 County budget.

The library will be built on Central Avenue between Imperial and School Lane, opposite the fire house for \$75,000 which was set aside on the county budget last week. Plans for the new facility will be drawn up by the County Department of Public Works. A spokesman for the department said that it would take four to six months to complete the drawings from the date the department is notified to start. Early 1958 is the earliest date the department can see for completion of the building.

The new park, yet to be named, will be installed on the three and one-half acre tract on which the Lemon Grove Swimming Pool Association holds a three-year option. The property is located at Alton and Washington and adjoins the Little League Baseball grounds.

The Lemon Grove Swimming Pool Association acquired a three year option on the property earlier this year for \$500 from Wal-

ter Denlinger. Price of the property is approximately \$7,000 an acre.

The county department of parks and beaches said they would produce a park plan within 30 days of the date they were instructed to proceed. Charles S. Goode, assistant director of public works, said he would work out a plan in conjunction with the Swimming Pool Association and the L.G. Recreation Committee. He also said that enough equipment would be installed on the grounds "within days" of the acquisition date to permit almost immediate use of the premises. The completed facility might take several months depending on availability of public works equipment and manpower.

The installation of a park will round out several years of work on the part of civic-minded individuals and various clubs and groups. A hillside park exists now in Vista La Mesa adjacent the VLM school. A similar and equally usable park area is said to exist near the Monterey Heights school.

### Hi-12 Club Sets

#### 'Rife' Day

William "Bill" Rife will be guest of honor and speaker at the July 18 meeting of the Mt. Helix High 12 Club to be held at Michael's Cafe.

Rife, past master of Lemon Grove and S. W. Hackett lodges, is presently secretary for San Diego Scottish Rite bodies. He is former president of the Masonic Board of Relief.

All Masons are invited to attend the luncheon.

Supporters of the movement to acquire the park will next turn their attention to the swimming pool and a youth meeting place, presumably moving the existing building on School Lane to the recreation area.

The street sweeper will be used throughout Supervisor Bird's district which runs all the way to National City. He said it would be operated by the public works department and only streets with curbs would be tended. The sweeper has been ordered and is enroute here, Bird said. A similar device has been ordered for the north county district.

### Polling Places Listed For Water Election Tuesday

Voters in the Lemon Grove and Spring Valley areas, included in the Helix Irrigation District, will have an opportunity to go to the polls next Tuesday to vote on whether the second aqueduct of the County Water Authority shall be built.

They will mark ballots on a \$35,000,000 bond issue for the financing of such construction. The Helix Irrigation District is one of 18 water agencies in the county, including the City of San Diego, which will be balloting on the bond issue.

Currently the county is participating in a campaign to eliminate water waste because the supply of local water and the amount currently being delivered by the first aqueduct is not sufficient to supply the growing needs of the 18 agencies in the county.

Officials of the Helix District say that the supply on hand for this year is sufficient to meet current average needs in the Helix District but that in 1958 the district faces a 60-day shortage unless we have an unusually wet winter.

The First Aqueduct is now delivering 140,000 acre feet of water into the county annually.

The proposed Second Aqueduct will have a capacity of 180,000 acre feet, and will be completed by 1960, if approved. County Water Authority engineers say that if the Second Aqueduct is built the county will have a supply of water sufficient to meet the demands for at least ten years after which time the state Feather River project should be delivering water into Southern California.

For the purpose of the July 9 election the County Water Authority has consolidated many county general election precincts into fewer precincts.

In the Lemon Grove and S.V. areas the voters will go to the following places to vote:

Garage at 2326 Helix St., for Spring Valley precincts 9, 10 and 11.  
Residence at 9035 Rosedale

Dr., for Spring Valley precincts 7 and 8.

Community Hall at 9050 Memory Lane for Spring Valley precincts 5 and 6.

Garage at 3368 Niblick Dr., for Spring Valley precincts 3 and 4.

Garage at 3541 Fairway Dr., for Lemon Grove 26 and Spring Valley 1 and 2.

Garage at 7422 Tweed St., for Lemon Grove 10, 11L and 11Z.

Garage at 7220 San Miguel Avenue, for Lemon Grove 8 and 9.

Garage at 3246 Citrus St., for Lemon Grove 6 and 7.

Leewood Hall at 7150 Broadway for Lemon Grove 1, 4 and 5.

Garage at 3368 Massachusetts Ave., for Lemon Grove 2 and Radio 3.

Garage at 4168 Marian St., for Radio 1 and Radio 2.

Garage at 4141 Merritt Blvd., for Helix 1 and 3 and La Mesa 46.

Garage at 9268 Campo Rd., for Helix 4, 9L and 9Z.

Residence at 10521 Del Rio Rd., for Oro 4, 5L and 5Z.

All polls will be open from 7 a.m. to 7 p.m.

### SONG OF A NATION!

## National Anthem Born of Bomb Bursts & Rockets

It was late summer of 1814, when for more than two years the war of 1812 had been raging between the new Republic of the United States of America and England, the former mother country.

The city of Washington had been under attack by the British, the new capitol had been burned to the ground, and other buildings were blazing. Even the President's home had been set on fire, but fortunately the blaze had been put out in time. The walls of the house were easily repaired, and a heavy coat of white paint soon covered the damage. Ever since, the President's mansion, painted white from that time to this, has been known as the White House.

Toward the middle of September, the British were preparing to move against Baltimore. But first they had to destroy Fort M'Henry, which guarded the city. It was to accomplish this that the largest and strongest ships in the British fleet sailed up Chesapeake Bay and anchored opposite Fort M'Henry.

Aboard the Admiral's flagship the British held a distinguished prisoner of war, Dr. William Beanes, a physician who came from the town of Upper Marlborough, Maryland, had been captured, and his friends feared for his safety. One of them, Francis Scott Key, a young Baltimore lawyer, determined to rescue the doctor. On September 13, 1814, armed with official papers from President Madison, Mr. Key set out with another friend, Mr. John Skinner, on the dangerous mission.

In a small government boat under a flag of truce, the two men made their way across Chesapeake Bay to the Admiral's ship.

They were courteously received and allowed to go on board. Mr. Key presented the Admiral with the official papers given him by President Madison, which stated that the doctor was not a soldier, but a private citizen, and therefore should be released. Also in Dr. Beanes' favor was the fact that he had once entertained at his home British officers

### SERVICE VERSION

JOHN STAFFORD SMITH

1.

O—say can you see—by the dawn's early light,

What so proudly we hailed at the twilight's last gleaming;

Whose broad stripes and bright stars thru the perilous fight,

O'er the ramparts we watched were so gallantly streaming!

And the rockets red glare, the bombs bursting in air,

Gave proof thro' the night, that our flag was still there,

O—say does that Star Spangled Banner yet wave,

O'er the land of the free and the home of the brave?

2.

On the shore, dimly seen—thru the mists of the deep,

Where the foe's haughty host in dread silence reposes,

What is that which the breeze, o'er the towering steep,

As it fitfully blows, half conceals, half discloses?

Now it catches the gleam of the morning's first beam,

In full glory reflected now shines on the stream;

'Tis the Star Spangled Banner, O long may it wave—

O'er the land of the free and the home of the brave!

3.

O—thus be it ever when free men shall stand

Between their loved homes and the war's desolation!

Blest with vict'ry and peace, may the heaven—rescued land

Praise the Pow'r that hath made and preserved us a nation.

Then conquer we must, for our cause it is just,

And this be our motto: "In God is our trust!"

And the Star Spangled Banner in triumph shall wave—

O'er the land of the free and the home of the brave!

## THEATRE TO PUT ON FIREWORKS DISPLAY

An old-fashioned fireworks spectacle with such pyrotechnic displays as Niagara Falls, zooming rockets, aerial bombs, colored cascades and sky-paintings will be held Thursday, July 4 at the Ace Drive-In Theatre, manager Harold Easley said this week.

The fireworks show will be in addition to the regular double feature movie. Fireworks will be lit at 10 p.m. between the two features. Features are Elvis Presley in "Love Me Tender" and "Calypso Joe". Charge will be \$2.50 per carload of patrons.

Theatre opens at 7 p.m. July 4th. First show starts at 8:15. Snack bar will be in full operation.

Baby Crop  
Small  
But  
Quality  
Is Fine

The baby crop at Grossmont Hospital from June 6 through June 20 with Lemon Grove and Spring Valley addresses given by the proud parents was not too large, but the quality was tops.

Spring Valley accounted for no girls and 3 boys. Mr. and Mrs. L. B. Dalheimer, 9235 Brookside, welcomed a boy weighing 5 lbs., 7 oz., born June 8.

Mr. and Mrs. M. C. Carns, 3263 Helix Street, got a boy who tipped the scales at 6 lbs. - 4 oz. June 18 was the date of this lad's arrival.

Mr. and Mrs. L. D. Green, 3425 South Bonita, were awarded a boy weighing 8 lbs., - 7 1/2 oz., also on June 18.

Lemon Grove kept up her end of the procession. Mr. and Mrs. F. J. Leavell, 8109 Mazer Street, welcomed a girl, weighing 5 lbs., - 5 oz., on June 8.

Mr. and Mrs. C. R. Baecht, 3232 Main St., chose a boy, weight 7 lbs., - 5 oz. He showed up June 18, thinks he will like it here.

And June 18, another couple was made happy with the arrival at their home, 8133 Roy St., of a girl, weighing 7 lbs., - 1 oz.

Want to know the happy parents? Mr. and Mrs. J. M. Nunez.

We wish that sometimes the reporter who sends in these births would say something about other patients that Grossmont cures. The general impression is that only babies are cared for at Grossmont. The facts are that this Hospital has one of the finest staffs and ranks high in medical circles. Tell us about some of the operations occasionally, Doc. —D.H.

## Optimists Hosts On Fishing Trip

College Center Optimists, under the direction of Harry Wilson who was in charge of the project, were hosts last week to 13 local youths on a fishing trip to Sutherland dam.

The club supplied the bait, tackle, supplies, prizes and food. Fish didn't bite too good but the fun was plentiful. Among those attending were:

Lee Selvig, 3166 Mass.  
Robert Burns, 2425 Mass.  
Barry Myers, 8327 Palm.

### BIBLE MOST COPIES.

Paris.—According to a U.N. Educational, Scientific and Cultural Organization survey, the Bible is still the most widely translated book in the world. After the Bible, the writings of Marx, Engels, Lenin and Stalin are translated the most. The fairy tales of Grimm and Andersen, "The Arabian Nights," the works of Cervantes, Goethe, Shakespeare, Mollere, Tolstoy and Mark Twain are other "old favorites," that have been translated into more than 15 languages.

### THINGS DOIN' & BREWIN'

## About Civic Center

By DICK HENDERSON

Well, folks, they're goin' to town with the new Medical Center building in the north parking lot at Civic Center.

The west half of the former parking lot north of the main building, (across the street, that is), is entirely surrounded by a high green fence, with not a knot-hole in any of the four sides, so the sidewalk superintendents have a hard time keeping up with developments.

So far the contractor is digging deep ditches and putting in drain pipes. About ten years ago the lot, then a lagoon, was filled in with dredged sand. Probably piling will be driven to support the foundation of the projected building, as was done when the original Civic Center was built.

Parking space for autos is at a premium, and employees are being asked to get together in groups and use one auto to bring four or five to their place of business. Broad yellow lines directing parking have been painted on the right hand side of the main "street" leading to the north doorway and to the right exit. Seems to work, but unless you get there early better leave your car outside and walk in.

The Supervisors had a nice friendly meeting, everybody happy. Dr. Frank Lowe, president of City Board of Education spread some salve and hoped the Board would continue to allow the Registrar of Voters to lend his aid to get out the vote for something the City Schools are promoting.

Bids for furnishing electric current and maintenance of street lights for four years commencing July 1 were received. Cardiff Public Highway, Fallbrook Highway, Lakeside Public Highway, Solana Beach Public Highway and Vista each had their lights kept burning. Cardiff gets 59 street lights for four years for \$11,328, and other bids were about the same as to cost, depending on type and number of lights in each district. The bids were referred to Jean Vincenz for checking. As you doubtless are aware, there is only one store in the County that peddles electricity.

The purchase of certain real property at Santee from Wm. H. and Gussie Mae Tanner for

\$20,000, needed for a portion of a clear zone approach to Gillespie Field. How much more clear zone approach will need to be purchased has not been announced.

Tom Geer, an employee of County Clerk, got a nice birthday present. He finished 25 years service in that one office on his 53 birthday. Bud James spoke very highly of Geer's services, and Chairman Austin complimented Geer fittingly when he pinned the pin on Geer's chest.

Mr. Clemson, owner of considerable property at San Marcos, said he had been trying for 20 years to get the County to close and abandon a piece of road that he thought was all cleared up. Said he gave the right of way in the first place, understood the road had been abandoned but the County had not complied with certain agreements as to drainage to prevent erosion. Did

### VOCATIONAL NURSING COURSE PLANNED

A 12-month course in Licensed Vocational Nursing will be offered in the Grossmont Adult School starting September 10. Classes will be held at Grossmont Hospital under the direction of Mrs. C. E. Parrish, R.N., recently an instructor at San Diego State College.

The course is designed to meet the shortage of licensed vocational nurses in this area. The year's work will be divided into 608 hours of theory of nursing and 1180 hours of clinical experience.

Applications for the course are now being accepted at the Adult School. Applicants must be 18 and have two years of high school training.

After successful completion of the course, the student is eligible to take the State Board examination in the field.

Enrollment in the first course is limited to 32 students and applicants are urged to enroll immediately in order to secure a place in the class.

Assisting Mrs. Parrish as instructors in the course will be Mrs. Ellen M. Abbott, R. N., and Mrs. Lillian C. Olson, R. N.

☆ One of the best ways for sick people to get well is to become convinced that they can get well.

### HOLD-UP PROOF CAB.

Mexico City — An inventive taxi cab driver has rigged up a device to protect himself and his cab from hold-up men by simply stepping on a button on the floor of his cab, his invention throws open the driver's door, permitting him to escape; locks all the other doors automatically, and, last but not least, shoots the cab full of tear gas.

### Summer Symphony Season Opens

San Diego's summer symphony season will open Tuesday with the San Diego Symphony Orchestra presenting the first of seven concerts in Balboa Park Bowl with Robert Shaw conducting. Concert time is 8:30 p.m.

Opening the concert and the season will be the Overture to Oberon, by Weber, described by Conductor Shaw as "most appropriate to launch the series of outdoor concerts."

Robert Shaw will be conducting his fifth season with the San Diego Symphony Orchestra.

### BOYS ON RAMPAGE

Revere, Mass.—Two boys, 12 and 7, climbed into a 10-ton tractor cab at a construction job after the workers had left for the day. Seconds after they pressed down the accelerator, a garage, a fence, a second garage and a 1955 automobile were demolished. The boys were uninjured.

### Mt. Miguel To Field Powerful Sports Teams

Mt. Miguel's "Matadors" will be out to start their inaugural sports campaign as a power to be reckoned with. A feather-in-their-cap will be the fact they will have one of the finest facility setups in the county.

In September the Metro League's sixth member will swing its freshly-painted hinges open to approximately 1400 students. The Spring Valley Institute, serving both the Valley and Lemon Grove is expected to swell in enrollment to about 2,000 in just three years time. Miguel's school executives definitely had athletics in their mind when they started laying their earliest plans.

Briefly, the setup goes like this: The Matadors will have two separate 500 square foot areas for both boys and girls in the P.E. classes. A combination football-track plant will be nearly surrounded by a 5,000 seat bleacher. The track will feature a straightaway 220-yard run.

The center of the Metro League's basketball warfare will be centered around the gym which will be 90 feet wide and 100 feet long with seating for 1200. Already flashy red and black uniforms have been ordered for the gridiron teams, basketballers, thinclads, racquet squad,

diamonders and some special gym classes. The Matadors will feature a "bullfight" theme.

Head of Mt. Miguel athletic staff will be Tom Welbaum, popular Helix coach. Others on the staff are Dick Ridgway (Grossmont), Chet Hoberg (Coronado), Ben Duea (Helix), Walt Gehrke (Grossmont), Dwight Teator, Hal Crow and Joe Stowers (El Cajon), plus Merl Smith (S.D. State). The Miguel gang will complete on varsity level in all sports. If every guy tries a sport and sticks to it and fights hard—LOOKOUT!—B.T.

not want any money for the change in routing. Clemson left the room smiling, and the Board smiled right back.

Not often the customers leave with such a good feeling on both sides.

No protests on the requests for two zoning reclassifications. Erland N. and Kay H. Anderson, et al., requested re-classing from R-2A to C-1 of certain property in Lemon Grove section. (Approval recommended by Planning Commission, including adjacent 100 feet to the east).

A claim from Sheela and O'Laughlin, attorneys via Auditor Perrigo, for \$6,490, for services rendered in the case of People

vs. Whisenand, and recommending rejection of that claim, as a section of the penal code provides that the amount of payment to a court-appointed attorney must be determined by the judge, and Judge Hewicker has determined the attorneys have no payment due them. (Another lawsuit comin' up).

Letter from County Counsel reporting that a validation judgment has been entered in the matter of validation proceedings filed by the County regarding 1911 Act proceedings in Area 36 for the improvement of Hardy Drive, et al., in Lemon Grove contract of Eimer Bros., Inc., and that the contractor will be so advised by his attorney.

Harold P. Lusher, attorney, requesting an extension of time

until June, 1958, for completion of improvements in Larwood Park Sub., an agreement with the County for work on Canton Drive, and that the existing bond be substituted, the work of improvements being paid for, except as to the estimate of cost of work of improvement on Canton Drive and, as to that work, that an \$11,000 bond be required; AND Letter from Ass't County Surveyor recommending a one-year extension of time for completing the improvements and that no change in the present bond and agreement be made. (Have y'all driven through Larwood Park recently? If not, take an hour and take a good look. You will be amazed at number of nice homes that have gone up in the past year, the land-

scaping and beautifully kept lawns and flowers.)

## Writer's Club To Be 'The Scribblers'

The problem of changing the name of the La Mesa Writers' Club was terminated last Monday afternoon, when the group voted unanimously to henceforth call the club "The Scribblers." The problem has been under dis-

cussion for many months with several names being submitted. "The Scribblers" will meet in El Cajon Recreation Center, in back of the library, the fourth Monday afternoon of each month. They will not meet in July or August.

Four prizes were awarded at last Monday's meeting to members winning the annual poetry contest. Twenty-eight poems were submitted. Winners were: in the serious vane, Mrs. Teresa Kane, first place for her "Prospector's Prayer" and Luther Smith, second, for his "Can You Take It?"

In the humorous vane, first place went to Mrs. Marie Herder for her "My Adventure" and second place went to Mrs. George (Candy) Walker for her "Made By Me."

Visitors at the meeting were Mrs. Lavina Watkins, past-president of the San Diego Poet's Association, Mrs. Betty Ogdon and son (she is librarian for the Spring Valley Library), and Mrs. Kathryn Allen, outgoing president of the La Mesa Women's Club.

JOHN SCHIETZELT, M.D.

Dr. John A. Schietzelt, physician and surgeon has opened offices in Lemon Grove at 7610-12 Pacific Street near Buena Vista. He is presently sharing the same location as Dr. Basil Maloney, obstetrician.

Dr. Schietzelt graduated from University of Iowa Medical School in 1948 and is certified to the American Board of Surgery. He served his internship in San Francisco where he later opened a private practice. Before he did, however, he served with the Armed Forces in Japan in 1949-50 and did four years of surgical residency in Cleveland, O.

After becoming a private practitioner he was ordered back into the service and assigned at Ft. Riley, Kansas for 15 months. He has done considerable work on pediatric cancer surgery.

He is married, has no children.

## HID Legal Light Gains S.D. CofC Aid

The Board of Directors of the San Diego Chamber of Commerce called upon Gov. Goodwin J. Knight to call a special session of the Legislature to be devoted exclusively to the solution of the State water problem.

William Jennings, member of the Water Committee and Counsel for the San Diego Water Authority, in presenting this matter to the Board indicated that all sections of southern California were sobered by the collapse of compromise efforts during the last few days of the recently adjourned legislative session.

Jennings, who is also Counsel for Helix Irrigation District, stated that in view of the Legislature's failure to produce a water right's constitutional amendment and thereby provide a basis for expediting the Feather River Project it would be desirable to have a short session exclusively devoted to this subject prior to the regular budgetary session, which will begin in February, 1958.

## Awards Go To 59 Members Of Jr. Court St. Teresa of Avila

Fifty-nine charter members of the Junior Court St. Teresa of Avila, Lemon Grove, received first-year honor awards recently at St. John of the Cross auditorium.

The girls were honored for their fulfillment of the Junior motto "Be Useful", as well as individual advancements in religion, literature, music, art, homemaking, nature study and health. Mrs. A. H. Osterberg, Lemon Grove, chairman of the Junior Catholic Daughters' Council of the Lemon Grove, La Mesa area, said that approximately 2088 hours of home, parish and community service projects were totaled by the award-winning group.

Projects of the junior court, which was instituted last January, include the following: visiting the aged, work on Epileptic Fund Drive, altar cleaning and decoration, making decorations and favors for various groups and functions, preparing for the coming of St. John of the Cross Fiesta and numerous others.

The following girls received their first-year pins: Elizabeth Jagers, Selma Rosenlof, Janet Bertz, Jackie Bray, Sharon Styvaert, Janet Olney, Pat Stangl, Carol Shettig, Mary Wiebel, Margaret Mullin, Kathy Zellmer, Georgia Thornton, Jean Olney, Kathy Van Meter, Claire Franzel, Terry Weibel, Susan Minicks, Kathy Stadther, Terry Pollock, Patsy Horner, Margaret Martin, Sheryl McGee, Antonette Leavelle, Toni Pollock, Joann Koziak.

## Rev. Pueschel At Wasco Church

A round of farewells was made last week by the Reverend Bruno Pueschel as he gathered together his family and belongings to transfer them to Wasco, Calif.

He was associate minister of the Lemon Grove Congregational Church until earlier this year when he separated from the local organization and later, in March, took up a pastorate at Wasco. He has been serving as pastor of the Wasco First Congregational Church but has been commuting regularly to spend off-days with his family.

Rev. Pueschel said the newly remodeled and enlarged parsonage at Wasco is now completed. A place to live for his sizeable family was one of the problems he had to resolve in the new move. He also wanted his four children to finish the school year in Lemon Grove, he said. During the state of flux between terminating his service at the Lemon Grove church and taking on the new assignment, his wife underwent major surgery.

The Reverend Dan Apra remains as minister of the Lemon Grove Congregational Church.

## Lions Rampage In Frisco

A dispatch from San Francisco states that San Francisco has been captured by Lions.

Thousands of members of Lions International from the United States and abroad held their 40th annual convention with a parade up Market Street.

In the march were 40 floats, 50 bands and delegations from 48 states, territories and many foreign countries.

Some 40,000 Lions and their families attended the four-day meeting.

To add to the furor, Lemon Grove supplied four Lions to the event. They are: Forrest Baxter, Wallace Dorman, Jim Pearce and Dr. Calvin Nicholl.

Lion officials said this was the biggest convention in the history of the service organization. The Lions claim 600,000 members.

Before the parade began a number of state delegations held breakfasts.

The first meeting took place when immediate past International President Humberto Valenzuela of Santiago, Chile, called the meeting to order at 8:30 p.m.

## Dimmer View

(Continued)

you can't see what you're writing is there any wonder the bank clerks confuse your signature? Check your eyes before you chuck your ball-point."

I will thank Dr. Officer, who is a fellow Kiwanian, to do a little checking on himself. My address is 7834 . . . not 8734 . . . and the street is Lester . . . not Lister.

If anything, he has now given me courage to hold onto my wet-ink fountain pen . . . if I can locate the darned cap that screws onto it.

With all the dignity a professional man can muster, under the impact of a shaggy-dog quip, Dr. Vernon Officer, one of our town's eye doctors says the fellow who is habitually late needs an optometrist not a psychiatrist. The poor guy is clock-eyed. He admits he lifted the idea from newsmen Kerwin Hoover's column.

Children's Bootery owner, Colonel (Kentucky variety) Robert Pulliam who is off on a vacation to the land of branch-water-and-bourbon for a vacation was the victim of an embarrassing event earlier this year.

At a Lions Club party he intelligently insisted that one of the members, a man who had quaffed more than his capacity, not drive. "Leave your car here

and I'll drive you home" the Colonel graciously suggested. Got the fellow safely home, too. Accident happened when the Colonel pulled into his own driveway and he smacked into a tree wrecking a fender.

Congressman James Utt and I keep the postoffice fairly busy with correspondence between each other all year long . . . a practice I recommend for anyone having constructive criticism, or for sending along a pat on the back to of Jim, whatever your tastes might be. In addition to being a good Representative, he is a good answerer.

A thing he is not, however, is a good baseball reporter: In a weekly newsletter he made reference to the annual baseball game between the Republican members of Congress, and the Democrats. You can see, as I did, that the hand which writes the Laws is hard put to turn a sports item.

One paragraph means simply a Republican got a base via a double error. Here's the Congressional interpretation:

The player bunted down the third base line and took off for first like a scared deer. The only difficulty was that his body traveled faster than his feet and he soon fell flat on his face. Nevertheless, he crawled and stumbled for a ways, finally reaching his feet and loping the remaining distance to first base. He arrived there just as the ball reached the first baseman, after having been fumbled by the third baseman in his attempt to retrieve the bunt. The first baseman promptly dropped the ball to complete the fiasco with the player safe at first. The first half of the inning finally ended with the Republicans scoring eight runs.

For sports lovers and record keepers, the Republicans won 10 - 9.

## LGWC Jrs. Give Pool To Kiddies

Child care centers will have a cooler playtime in the 18 foot plastic pool, donated by the Lemon Grove Women's Club Juniors, recently.

The idea was conceived by Mrs. Robert Bresnahan the "Build a Better Community" chairman of the Club and supported by the members: A "Fix the Leak" committee was also formed, comprised of Mrs. Robert Bresnahan, Gene Johnson, F. C. Meier, Robert Strand and William Davis, and "Operation Cooler Summer" was under way.

On completion of repairs, the pool was turned over to Mrs. Donald Armbruster, supervisor of Child Care Centers for San Diego City and County.

ceers of the flagship, and had skillfully treated some of their wounded comrades.

Having considered the facts, the Admiral agreed to release Dr. Beanes. But unfortunately, the British fleet was ready to open fire on Fort McHenry with all their heavy guns at that very moment.

The Admiral felt sure of a speedy victory. But, fearing that if he allowed Mr. Key and his party to return immediately, they would still have time to warn those defending the Fort, the Admiral told the men they could not go back to shore until Fort McHenry had been taken and destroyed.

The Americans were permitted to return to their own boat, but accepted Mr. Key's and his friends word not to attempt to go back to shore.

Mr. Key and his companions could see the flag over Fort McHenry. All day long they watched it streaming gallantly in the breeze. It is said that the enemy told them to look well at the flag at sunset, warning the three Americans that they would not see it in the morning.

Then the firing began. All night Francis Scott Key heard the loud booming of the guns on the ships answering thunder of cannons from the Fort. Whenever a rocket burst high in the air, or a bombshell exploded, the glare gave light enough for them to see the flag still flying. Would it be there in the morning? The night dragged on. Suddenly the British fire ceased. The watchers could not see the Fort until morn sun revealed the flag still flying.

The British attack had failed. On the way back, the other two rowing, Mr. Key pulled an envelope from his pocket, wrote "Oh can you see?" He finished the remaining stanzas of his poem later that night.

So delighted were those who read the poem that a printer set up and printed several hundred copies. Then someone suggested that it should become a song and the music of a drinking song then very popular in America, "To Anacreon in Heaven."

Mr. Key was 34 years old when he wrote the famous song, September 14, 1814. One hundred and seventeen years later a law was passed making the "Star Spangled Banner" our official national anthem.

Another permanent tribute to Francis Scott Key is the American Flag which is always kept flying over his grave at Frederick, Maryland. This is one of only three places where the flag is permitted to fly both day and night during times of peace.

Note: The above was taken from Stories of American Patriotic Songs, by Dr. Henry Lyons, Director of Music Education, Pasadena City Schools.

# GOD SUPREME POWER DECLARES CHRISTIAN SCIENCE SERMON

The supremacy and all-power of God — divine Life, Truth and Love — will be emphasized at Christian Science services Sunday.

Among references from the Bible in the Lesson-Sermon entitled "God" will be the following from Joshua (1:9), "Have not I commanded thee? Be strong and of good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest."

## Canadian H<sub>2</sub>O Proposed As Water Solution

John Abbott, pioneer real estate of Spring Valley, offers a solution of the water problem for Southern California.

Abbott suggests a trade with Canada—

Canada wants three ports along the North Pacific. The Pacific Northwest has plenty of water.

The Canadian Northwest has too much water. Why not trade three ports in U.S. to Canada for water that now goes to waste, but which could be diverted to the upper waters of the Colorado and brought to land that needs water?

The Department of the Interior has had this water trade under consideration for years, according to Abbott. He made a special trip to Los Angeles some time ago, talked with an engineer who has viewed the territory from the air with plenty of water in sight, which now goes to waste.

Interior Department officials have approved the feasibility of the project, which briefly is to dump the Canadian water into waterways leading to the upper

Colorado and let it take its course.

The three ports desired by Canada along the north Pacific Coast could be leased for 99 years in exchange for the water for the same period.

What we need, Abbott says, is a couple of Missouri "Mule-Traders" to make the deal.

We read a few days ago somewhere that Canada plans on dumping or diverting water that now supplies the Columbia River into the Pacific Ocean. This is another matter for the Interior Department.

### NEW WATER SOURCE SUGGESTED

When you consider that water from the Colorado is being brought 307 miles to San Diego, the Canadian proposal doesn't seem far-fetched.

Congressman James Utt has conferred with Abbott, likes the idea and was to have seen Interior Department officials. So far, Utt has not reported on the matter.

The whole world is being "all shook up" over water shortage. Getting fresh water from the sea is too costly, with present methods. Feather River division has caused a split between Northern and Southern California politicians.

When you remember the furor created when Los Angeles bought the Owens River Valley and the including water rights, how it was ridiculed by one side and supported by the proponents, and finally won out, to the salvation of Los Angeles. You may expect a long battle, but that has been the case with all projects, and will probably continue.

The present situation in Egypt seems to me to stem from the big dam that John F. Dulles first proposed lending a billion to Egypt to build the dam and then reneging, the Suez Canal mess resulting, billions spent to no purpose, it seems as though a peaceful means, with two governments talking things over, is possible.

The St. Lawrence Waterway was a long discussed project. Little is said about this project in the press now, but after all these years, seems to have been finished.

At all events, we (meaning D.H.) think favorably of John Abbott's proposal. Let's write to Jim Utt and get the low-down.

And from the recent experience of the sewer-laying contractor, harassed by cave-ins on the line, it looks like a pumping plant in Spring Valley would be a good investment. Got any ideas? Send 'em in. —D.H.

## Grossmont Hospital Women Plan Fiesta At El Nadadero

Lemon Grove and Spring Valley units of Grossmont Hospital Women's Auxiliary will play important roles in the Foothills Fiesta on July 12 in El Nadadero Club, El Cajon. Planned to follow the pattern set by the festivities at the old-time California rancherias, the Fiesta will provide music, dancing, food, and a variety of entertainment for all members of the family. Doors will open at 2 p.m.; close at midnight. An admission of 25c will be asked; with children under six, free. El Nadadero members merely signing in as usual.

In El Mercado, where all the booths will be decorated to represent a Spanish marketplace, the

Lemon Grove contingent—led by Mrs. Bert Cosby and Mrs. E. W. Middleton—will be found dispensing soft drinks. Mrs. W. K. Phillips, the area's chairman, has provided the lacy mantillas that will be on sale. Mrs. Paul Fellows will be in charge of the special auxiliary booth, where a model of Grossmont Hospital and grounds will be on display.

#### SHERIFF'S SALE

Under and by Virtue of an execution issued out of the Municipal Court of the County of San Diego State of California, on the 5th day of June A. D. 1957, on a judgment rendered in said Municipal Court, on the 18th day of April, 1957, in favor of E. E. Arganbright and Lyle D. Wade Judgment Creditors and against Joseph McKinley Judgment Debtor for the sum of Four Hundred Sixty-two and 30/100 Dollars, lawful money of the United States, I have levied upon all right, title, claim and interest of Joseph McKinley Judgment Debtor of, in and to the following described real estate, situate in the County of San Diego, State of California, and described as follows, to-wit:

Lots 13 and 14 in Section 34, Township 16 South, Range 1 East, San Bernardino Meridian, in the County of San Diego, State of California, Excepting from said Lot 14 the Easterly 175 feet as conveyed to Lowell Huffine by Deed dated May 29, 1934 and recorded in Book 302, page 225 of Official records. Also excepting from said Lot 14 that portion conveyed to Michael Fura by Deed dated October 2, 1939 and recorded in Book 948, page 408 of Official Records, being more particularly described as follows:

Beginning at a point on the Southerly line of said Lot 14, distant thereon 175 feet Westerly from the Southeast corner of said Lot; thence Northerly along a line parallel with the Easterly line of said Lot a distance of 238 feet; thence Westerly parallel with said Southerly line of said Lot a distance of 50 feet; thence Southerly parallel with said Easterly line a distance of 238 feet to said Southerly line; thence Easterly along said Southerly line a distance of 50 feet to the point of beginning.

Public Notice is Hereby Given, that on Wednesday the 31st day of July A. D. 1957, at 10:00 o'clock A. M. of said day, I will proceed to sell at the south center Court House door in the City of San Diego, County of San Diego, State of California, at public auction to the highest bidder for cash, in lawful money of the United States, all of the above described real estate, or so much thereof as will be sufficient to satisfy said decree for principal, interest and all costs.

Given under my hand this 18th day of June A. D. 1957.

 AN ORDINANCE AMENDING THE ZONING ORDINANCE BY CHANGING THE USE OF CERTAIN PROPERTY WITHIN DISTRICT NO. 12, LEMON GROVE SECTION, AND SUBSTITUTING SHEET NO. 9-K FOR SHEET NO. 9-J OF DISTRICT MAP NO. 12

The Board of Supervisors of the County of San Diego do ordain as follows:

Section 1. The zoning classification of the following described land located within District No. 12, Lemon Grove Section in the County of San Diego, State of California, is hereby changed from R-2-A Zone to C-3 Zone:

All that portion of Lot 12 of Subdivision No. 2 of Lot 12 of Rancho Mission of San Diego, according to Map thereof No. 646 on file in the office of the County Recorder of said County of San Diego, lying northerly of a line parallel with and 150 feet northerly of the northerly right of way line of Broadway as shown on plat of Road Survey No. 503 on file in the office of the County Surveyor of said County of San Diego, except highway right of way.

Section 2. Section 2001 of Ordinance No. 1402 (New Series) of the County of San Diego is hereby amended to read as follows:

Section 2001. MAP. "District Map No. 12, Lemon Grove Section, San Diego County," consisting of nine (9) sheets numbered 1, 2-D, 3-I, 4-Z, 5-Y, 6-C, 7-G, 8-E, and 9-K, including an index sheet, each bearing the title "District Map No. 12, Lemon Grove Section, San Diego County," is hereby adopted and made a part of this ordinance.

Section 3. This Ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the members voting for and against the same, in the Lemon Grove Review, a newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED AND ADOPTED this 25th day of June, 1957.

DE GRAFF AUSTIN,  
 Chairman of the Board of Supervisors of the County of San Diego, State of California.

The above Ordinance was adopted by the following vote:  
 Supervisor Frank A. Gibson voting "Aye"  
 Supervisor David W. Bird voting "Aye"

### Trailer Towing Rules Given For Boat Towers

SACRAMENTO (Special) — Many motorists towing boat trailers with passenger cars and pickup trucks are violating traffic laws according to the California Highway Patrol.

"This is probably due to lack of adequate knowledge of the rules and regulations particularly by new owners of small boat trailers," Patrol Commissioner, B. R. Caldwell stated.

Enforcement action will be taken against all violators, therefore the following are essential points to be reviewed by persons towing these trailers with passenger cars or commercial vehicles weighing under 4,000 pounds.

1. Maximum speed is 45 miles an hour unless a lower speed is posted.
2. One red tail lamp, a license plate lamp, one red reflector and a stop lamp are required on each vehicle.
3. Clearance lamps are necessary if the vehicle or load exceeds 80 inches of width.
4. Mechanical or electric turn signals are required if hand and arm signals are not clearly visible from the rear.
5. Hitches must be properly and securely mounted, with a legal safety chain to control trailer if hitch fails.
6. The trailer is required to follow substantially in path of towing vehicle without whipping or swerving.
7. The towing vehicle must be equipped with a mirror reflecting a view of the highway 200 feet to the rear.
8. The license plate on the trailer is required to be mounted not less than 12 inches nor more than 60 inches from the ground when the trailer is unladen.
9. Registration card or temporary permit must accompany trailer.
10. Combination of vehicles must be equipped with brakes capable of stopping in 40 feet from speed of 20 miles per hour.

### SPECIAL NOTICE TO VOTERS

Most precincts have been consolidated for the Aqueduct election. Check your sample ballot to make certain of the location of your polling place. Be sure to have your vote count — and count Yes for Water.

The Metropolitan Water District will construct 43 miles at its cost of more than \$20 million, bringing the aqueduct 5.9 miles into San Diego County provided we will do the rest. Our part of the job is approval of a \$35 million bond issue to construct the 61.1 mile southerly portion of this vital aqueduct.
